2.	To the President, City Municipal Council, Bangalore No 10237 dt 26-1-17 Forwards for favour of opinion a copy of Sl 1.
3	Fr. the Hon'ble President, Municipal Council Bangalore City. No 285 dt the 4th April 1918. Forwards for sanction two proposals in connection with the acquisition of lands for extending the Lal Bagh & the opening of a new road. 3 Subs. The result of the correspondence between the Superintendent Govt Gardens & the President, City Municipal Council, has culminated in the latter submitting a plan indicating the portion which is proposed to be made over to the Lal Bagh & the road that is to be constructed. 4 The Cost of the land to be acquired and made over to the Lal Bagh is estimated to be about Rs 26,766 "excluding the statutory allowance of 15%". This amount it is suggested to be met from the State funds. 5 Lands required for the road & its construction is estimated to Cost Rs 9,540 + Rs 3840 respectively

And it is supported by the President that these may be included as a work under City Improvements.

Points for orders are :-

(1) Whether the lands in question may be acquired & added on to the Lal Bagh.

(2) If so. the source from which the estimated amount of Rs. 26,766 plus the "statutory allowance at 15%" have to be met.

(3) Whether the Chief Engineer may not be consulted in the matter, as the question of percolation & the waste weir channel area are involved & his opinion taken on the proposals.

Unnecessary!

(4) Whether the Administrative Branch (IV) in charge of the Improvements & the Bangalore may be consulted in view to the proposal of debiting the charge of acquisition of the lands for the construction of a road as proposed.

Submitted
11/4/18

6 The Chief Engineer may first be consulted.
(Chatfield)
11/4/18.

7 The acquisition of the lands seems desirable. The only question is as to how the cost shd be met. The proposal in para 4 of the Hon'ble President's letter appears to be

General and Revenue Secretariat. | File No. 429 of 1916.

Serial No.

of his proposal to the effect that the cost of acquisition of land for the road & its construction (Rs 9500 + Rs 3800) might be included as a work under City Improvements (No 285 dt 4.4.1916) was left out in his communication (375 dt 3.4.1916) regarding the revised programme of City Improvement works; he does not say whether the omission was advisedly made or it was through oversight.

13 His suggestion that "administrative sanction" may be accorded to the scheme leaving the question of finance for being dealt with later on does not seem feasible especially as an estimate of cost of the scheme has been obtained. ~~He has not~~ ~~proposed any~~

14 He further adds that the entire cost of the scheme is not possible to be met from municipal funds. The points for settlement therefore are :-

(i) The proportion in which the charge shall be met from the State funds & the municipality respectively from municipal funds or city improvement allotment under the control of the Municipality.

(ii) The specific source in the Budget (municipal/State) for the debit of the charge.

Orders for orders if Branches B^r IV & II may be consulted.

26. I have made a personal inspection of the locality, and am satisfied that it is necessary from all points of view to take very early steps to acquire it.

27. The southernmost portion of the tract in question consists of houses, mostly unoccupied and in ruins, the owners of which have deserted them owing to the persistent prevalence of plague; while the northernmost portion lies mostly within the limits of the northern compound wall of the Lal Bagh, and though, (as I am told) once notified for acquisition, has not yet been acquired. The middle portion consists partly of mango garden, and partly of open ground overgrown with

NOTE—Contn. sheet.

WD A 1789—GPB—60,000—20-3-18.—S.

Serial No.

weeds and lantana. The addition of these lands to the Lal Bagh will be a very desirable improvement and will allow of a much needed extension of the menagerie, which is now cramped for space, while the opening of a new public road on the outskirts of the garden will divert much of the traffic that passes through it at present.

28 As proposed by the Chief Secretary, administrative sanction may now be accorded to the acquisition, the question of funds being reserved for consideration in connection with the City Improvement Scheme.

29 In this connection, I would suggest that the mango gardens immediately to the south of the Basavangudi Extension may also be acquired as part of the same Scheme.

From L. Bishtoparth Badami, Esq., B. A.,
~~ECONOMIC BOTANIST,~~
Offg: SUPERINTENDENT, GOVT. GARDENS.

To
The Secretary to the Government of Mysore,
General Department, B a n g a l o r e.

Sir,

I have the honor to submit herewith, for the consideration and orders of Government, a copy of this office letter No. 387 dated 10th November 1916, to the Honorary President of the Bangalore City Municipal Council explaining the necessity for acquiring certain extent of land lying beyond the compound wall of the Lal-Bagh Menagerie. Besides the damage to the ground plants over a large area, caused by the percolation of water consequent on the silting up of the waste-~~water~~ weir channel mentioned therein, and the effects of which may be seen continuing even to this day, its effects on the animals in the Menagerie is also very baneful. The whole of this compartment was flooded with water continuously for a week at one time, and for two or three days on several occasions during the rainy season, and water was flowing in a stream right through. The cages were quite wet for a very long time, and some of the animals showed signs of sickness. The existence of long stretches of neglected fields by the side of the Menagerie, affords ~~labour~~ harbour to a lot of mice of every description and has become a source of danger to the Menagerie. Our animals have not been free from the risk of living by the side of such contagious carriers. Scarcely does Plague make its appearance in Mavally than a few dead rats are found in one or other of the cages of the Menegerie in the Lal-Bagh I understand that some valuable animals have been among the victims to such infection every year. This year also, it threatened to

Requesting to direct Municipality to acquire certain lands for the Lal-Bagh.

GPB—50,000—26-9-12

to spread, but fortunately, owing to the very prompt and effective measures means taken, it disappeared soon, but not without taking 2 hares and 3 ordinary monkeys as its victims. There does not appear to be any use in our purchasing at high prices any animals for being added on to the Menagerie now, so long as these long stretches of fields and dilapidated houses, and silted up waste water channel are close by.

2. The acquisition of the lands in question, besides removing all this danger to the Menagerie, and unhealthy conditions to the numerous valuable plants in the ground, will relieve the Lal-Bagh from the annoyance in several respects, due to one of its main roads being the highway ~~from~~ all traffic between Basavangudi and ~~the~~ Public offices, and Cantonment. Not one fruit could be preserved in the Exotic Fruit Garden area, at the entrance to the Basavangudi gate, for purposes of observation and study, and the same with flowers in the Rose and Hibiscus gardens. By the Municipality being enabled to open out a cross road though the acquired portions connecting the Basavangudi and Oosoor roads outside, a large amount of traffic now passing through the Lal-Bagh would be diverted, and the portion acquired and given over to Lal-Bagh, might be kept free from harbourage to the roadante, and the Menagerie freed from the annually threatening danger.

3. I request, for these reasons that the Government will view the proposal favourably, and direct the Municipality to acquire and make over the lands required for the Lal-Bagh, before the next epidemic season commences.

I have the honor to be,

Sir,

Your most obedient servant,

M. [illegible]

Offg. Superintendent,

Govt. Gardens.

M.R

Letter No. 387 dated 10th November 1916 from the Offg. Superintendent, Government Gardens to the Honorary President, City Municipal Council, Bangalore.

- - - - -

Adverting to correspondence ending with this office letter No. 203 dated 18th August 1916, I have the honor to request that you will be good enough to kindly let me know when the lands between the present Lal-Bagh compound wall and the proposed road connecting Basavangudi and Mavally, will be acquired and made over to the Lal-Bagh. The present condition of the Lal-Bagh due to the recent rains renders it imperative that these lands should be acquired as early as possible. The waste weir channel of the Lal-Bagh tank outside the compound wall is almost silted up and all the excess water instead of flowing through that channel is spread all over those private lands, and percolates into the Lal-Bagh grounds. To minimise the effect of such water on the plants, it has become necessary to dig trenches in many parts of the Lal-Bagh thereby rendering the place untidy. The year's experience has however made it imperative that these lands should be acquired for the Lal-Bagh, and I shall be very grateful if you will kindly have it done as early as possible.

SIR,

With reference to your letter No. G. 10237/G.M.429-16-2 dated the 26th January 1917, forwarding for my opinion copy of letter No. 544 of 11th idem, from the Superintendent, Government Gardens and subsequent reminders thereon regarding the acquisition of certain lands for extending the Lal-bagh towards the west and opening a new road for the use of the public out-side the Lal-bagh, I have the honor to submit herewith for the sanction of Government a plan showing the two proposals embodied in the letter of the Superintendent of the Government gardens quoted above.

2. The acquisition of lands for the extension of the Lal-bagh is estimated to cost about Rs. 26,766/- excluding the statutory allowance of 15%.

3. The acquisition of lands for the road and the approximate cost of construction are estimated to cost Rs. 9,540 and Rs. 3,840 respectively.

4. The cost of the former scheme may be met from State Funds while

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
~~General and Revenue Departments,~~
Bangalore.

SIR,

With reference to your letter No. G.15158/G.M.429-16-4 dated the 10th May 1918 calling for certain particulars regarding the cost of the scheme of opening a new road to the west of Lal-bagh, I have the honor to state that the provision of Rs. 8000/- made under item (d) of the programme of City Improvement Works submitted with my letter No. 375/C.I. dated the 3rd April 1918, is for slabbing the main drain which crosses the Lal-bagh Road, in continuation of the slabbing already done. It has no reference to the acquisition of land for the new road west of Lal-bagh and the making of the road.

2. Though in my letter No. 285 dated the 30th March 1918, submitting the scheme of the new road west of Lal-bagh, it was suggested that the acquisition of the land and construction of the road costing Rs. 9540 and Rs. 3840 respectively be treated as City Improvement works

CHIEF SECRETARIAT.
IV
MINOR Depts.
12 APR 1919

Dear Sir,

I have duly received your letter No G. 21730 and note that the extension of the Lalbagh on the west is now being taken up.

The scheme has everything in its favour. Not only will the Road divert a lot of more through traffic from the Lalbagh but an enormous amount of the traffic of plants which now goes on into the adjoining bustigantum will cease. Even more important as a sanitary ground is the fact that the Road will check the passage of rats which come from the village

to the Menagerie structures, or, as the Municipality puts it, come from the Salbagh to injure the adjoining houses.

I have been worrying Mr. Birch to permit to keep me informed of the progress of the scheme but did not get the file till Mr. Y. Ramarao asked. The plan then put showed the Road as also a strip of land to be taken up for good houses. This is a very desirable thing. I had a copy made of this plan and on it I marked a deviation of the Road from somewhere about marked (X) in your plan direct to the "junction" south of Basavangudi gate. This will not only give the Road a more direct bearing

but the formation itself can be appreciated even as a "circle" or square; the tallest gate forming one of its planks. I returned West Flin with all instructions to Mr. Jourdain in January but it would seem that he has not shown it to you, nor has he sent me the survey I wanted of the area up to the new Kankanpalgo Road.

During my retirement I have, outside of the time required for plan drawing & official references, done other routine work. One is to go through botanical work (many loaned from the Pusa Library) and make notes on all the trees & shrubs of the tropical and subtropical countries which have edible fruits without being rare, palatably recognised "fruittrees". I

I have notes on over 700 species. These will be introduced in the course of a few years, but it would not be expedient to encumber the proposed arrangements with them. I have already a small collection just outside the Bassoongudi gate and by enlarging the Lalbagh on new proposed we shall get the ground required for these and other economic plants which I have also worked up.

The scheme of the extension has therefore my strong recommendation. I note Rs. 30,000 has provision in the new budget for it and I hope it will be sanctioned.

Yours sincerely

CHIEF SECRETARIAT. IV Miscellaneous. 11 FEB 1920

To

C.S.BALASUNDARAM IYER, ESQ., B.A.,
Chief Secretary to the Government of His
Highness the Maharaja of Mysore,
BANGALORE.

DIARY NO. 14028

Sir,

With reference to your letter No.G.2015/G.M.429-16-10 dated 26-7-1919, calling for opinion with regard to certain alternative suggestions in the alignment of the Road to the West of the Lal Bagh, I have the honor to state that the alternative proposals were placed before the Municipal City Improvement Committee on 13-9-1919, and their recommendations came up before the Municipal Council on 1st November 1919. Copies of their resolutions are enclosed.

2. It will be seen therefrom that the Municipal Council do not approve of the Road being aligned diagonally from A to B (Vide rough sketch sent by you) as it will cut up irregularly the fine plot of play ground to the West of the Lal Bagh West Gate.

3. They approve of the proposal to acquire the lands at once for the Villa sites as marked in the plan.

4. The cost of different parts of the Scheme will then be as follows:-

(a) Acquisition of properties in the area lying between the proposed Road and the Lal Bagh for extending the Lal Bagh, Rs.26,766/- excluding Statutory allowance.

(b) Acquisition of lands for the proposed Road, as per original alignment, including cost of making the Road and Statutory allowance Rs.15,811/-

(c) Acquisition of land proposed for Villa sites both to the West of the proposed Road and to the North of the play ground, including cost of levelling and alignment of sites and the Statutory allowance Rs. 60076.

5. As for the mode of financing the Scheme, I beg to invite kind reference to this Office letters 285 dated 4-4-1918 and 342 dated 7-6-1918, wherein it has been suggested that the cost of acquisition of lands intended for the extension of the Lal Bagh, Viz

Viz., Rs.26,?66/- exclusive of [illegible]

State Funds; while the cost of acquiring the land for the Road and forming it Viz., Rs.15,811/- be met from the City Improvement Funds on the usual basis of one-thirds from the Municipality and two-thirds from the State grant.

6. The question of lands to be acquired for Villa Sites was not dealt with before, as the Municipal Council had then thought that it might be left to private development. Since the Municipal Council have now adopted the suggestion of Government mentioned in your letter above referred to to acquire the lands and lay out the Villa Sites at once, I would suggest that this part of the Scheme may be considered as self supporting. The Municipal Council will be prepared to lay out the initial cost of Rs.60,076 to be reimbursed by the sale of sites.

7. Regarding the point whether funds will be available during the year 1919-1920 for that part of the Scheme which is proposed to be taken up as a major City Improvement Work, Viz the acquisition of land for the Road to the West of Lal Bagh and forming it costing Rs.15,811, I beg to state that funds can be met by re-appropriation since the programmed expenditure under the Town Hall and Municipal Offices will not be possible for obvious reasons.

I have herewith returned both the plans sent with your letter.

I have the honor to be,

Sir,

Your most obedient servant,

Mohammed Abbas Khan

9. Chief Secretary's letter No.G.2015/G.M.429-16-10 dated 26th July 1919, enquiring whether the cost of acquisition of lands to the west of the Lal-Bagh for Villa Sites may be met from

46

from the State grant for the City Improvement Funds for 1919-20.

Also opinion of the Municipal City Improvement Committee held on 13th September 1919, approving the acquisition of properties to the west of the Lal-Bagh for Villa Sites, the scheme being taken up as part of major City Improvements and disapproving the continuation of the diagonal road through the play ground.

Resolution:- Resolved that the proposed acquisi-tion of the properties be sanctioned, that the cost of acquisition of the land to be added to the Lal-Bagh be borne by Government and that the cost of acquisition of the other properties and of making the roads be met from the grant for the City Improvement Works.

The Council approve of the opinion of the Municipal City Improvement Committee that the play ground should not be cut up by running a road across it.

The disposal of the land to the north of the play ground after its acquisition is reserved for further consideration.

4) Further Correspondence ending with letter no 195 dt the 10th February 1920, from the President City municipal Council Bangalore, forwarding the resolution of the municipal Council and stating that the municipal Council do not approve of the proposed road being aligned diagonally as suggested in the alternative place of the Assistant Superintendent but that they first Gardens ~~and Cp~~ approve of the proposal to acquire the lands for the extension of the Lal Bagh as also the lands to the west of the new road for villa sites at a cost of Rs. 1,02,653 as detailed in the margin and proposing that the Cost of acquisition of lands for the extension of Lal Bagh viz Rs 26,766, exclusive of the Statutory allowance of 15% may be met from State funds, while the cost of acquiring the lands for the road and forming it viz Rs 15811/- may be met from the City Improvement Funds on the

1. Acquisition of land to the west of the Lal Bagh for the extension of the Lal Bagh - Rs 26,766/- excluding Statutory allowance

2. Acquisition of lands for the proposed road, as per original alignment & including cost of Construction of the road and Statutory allowance - Rs 15,811/-

3. Acquisition of lands to the west of the proposed road and to the North of the Playground for villa sites including Cost of leveling and alignment of sites and Statutory allowance Rs 60,076/-

Rs. 1,02,653

GPB—20,000—7-7-14.

usual basis of one third from the municipality and two thirds from the State Fund and that the initial cost of Rs. 60,076/- for the acquisition of lands to the west of the proposed Road and for laying them out as villa sites may be met from the Municipal Funds (in the first instance and to be reimbursed by the sale of sites afterwards.

order. No. G 25514-8

Dated Bangalore 7th May 1920.

Government consider that the proposed addition to the Lal Bagh of certain lands to the West of it will be a very desirable improvement ~~Government are pleased to consider the proposed extension of the Lal Bagh very necessary~~ as it will allow of much needed extension ~~now very much needed~~ for the Menagerie which is at present badly cramped for space. While the opening of a new public Road on the outskirts of the Lal Bagh ~~outside the garden which is proposed to be laid out~~ Connecting the Basaweswaraguddy Extension and the Hosur Road is also very desirable as it will divert much of the traffic that passes thro' the Lal Bagh at present. They are accordingly pleased to
